Under this policy, you may have to pay out-of-pocket costs above what you get from Medicare or your private health insurer. Before you go to hospital, you should ask your doctors, hospital and health insurer about any out-of-pocket costs that may apply to you.

#### **Gap Cover**

This provider offers '[known gap](#)' or '[no gap](#)' cover for medical bills for this product.

The [Medical Costs Finder](#) lets you find out more about the cost of specialist medical services.

#### **Other features of this hospital cover**

We do not have a preferred-provider-network-arrangement but operate a MediGap scheme aiming to eliminate the 'gap' payments for specialist fees in hospital. When a specialist chooses to participate in MediGap, they agree not to charge an out-of-pocket expense for your procedure. We do this by building a network of specialists who may agree to receive a higher benefit from us than they would ordinarily receive. In exchange, they do not charge you an out-of-pocket expense. Ask your specialist if they'll MediGap for you!
